Dear Sal:

I am writing this letter, which is long overdue, to inform you that the work that you and your TEAM from Allegheny Contract Flooring, performed at the Ames Hotel Project was nothing short of a Miracle!!!!

Your company against all odd's, met or exceeded every challenge and or deadline that we demanded from you, in order to make the aggressive schedule dates. You did a tremendous job on the installation, as the quality, workmanship and the stone product itself, is second to none. The project management of the job, as far as coordinating manpower, delivery's, overtime, late owner changes or whatever it took to get the job done, was performed in a truly professional manner. We really appreciated that can do attitude, which is so hard to come by these days.

Tishman Construction, The Walsh Company / Normandy Real Estate Partners and the Morgan's Hotel Group all want to thank you again for a Great Job !!!

The owners are very proud and ecstatic at the way the project came out and still can't believe that the work was performed and completed within the deadline of October 9<sup>th</sup>, 2009.

I want to thank you and your entire TEAM at Allegheny Flooring for doing a Fantastic Job at the Ames Hotel and for meeting the dates that many thought was unachievable !!.

We highly recommend you for any project and consider Allegheny Contract Flooring part of our "A" Team, as we move forward.

Sal, thanks again for a fantastic job and we look forward to working with you very shortly on the next challenging project !

Sincerely

Harry J, McCall Jr
